

Dear Sir/Madam,

I found the recent advertisement for the Laravel Developer and am writing to express my interest for this position. My knowledge and interest on PHP and Laravel along with HTML, CSS and JavaScript makes me a good candidate for this position.

I have developed a web based application from design to coding by myself under the supervision of my supervisors for my final year project. I also have an experience of working in an official work environment during my internship period. I have worked in a team and have a good team spirit. I have research and problem solving skills that has made me a self-learner. All of the qualifications make me a good candidate for this position in the company.

I have attached my CV and would request you to go through it.

Sincerely,

Deepika Kattel
